

Let us know your thoughts regarding the best time of year to conduct the 2018 Village IV Community Garage Sale. We have encountered poor weather conditions when we typically schedule this in mid-May and would like to collect feedback on what you feel is a better time of year so we can increase participation.

Please complete this survey and return to the Clubhouse Office by December 1<sup>st</sup>. You can also submit this survey online via our website: [villageiv.com/survey.html](http://villageiv.com/survey.html).
